It is required that at least two people assemble this product. In order to assemble accordingly, please follow all instructions in order.

**Note: Some parts may have shifted during transit and might have been loose .**

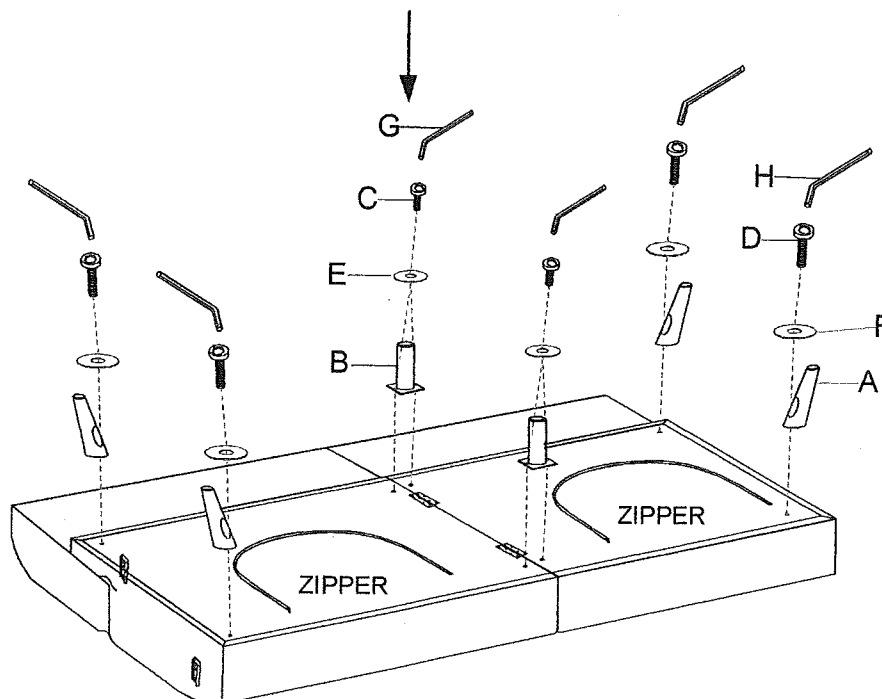

## Attaching the legs

Step 1. Have the sofa upside down, there will be two zippers located in the center of the sofa like the image. All parts will be in the zipper compartment. Make sure all parts are taken out before going forward. After all parts are taken out, close up the zipper compartment.

Locate the holes on the corners of the sofa and attach the legs (A) tightly using washer (F) and bolt (D) with L key (H), and attach the legs (B) tightly using washer (E) and bolt (C) with L key (G). Once all 6 legs are assembled, you may carefully flip the sofa over.

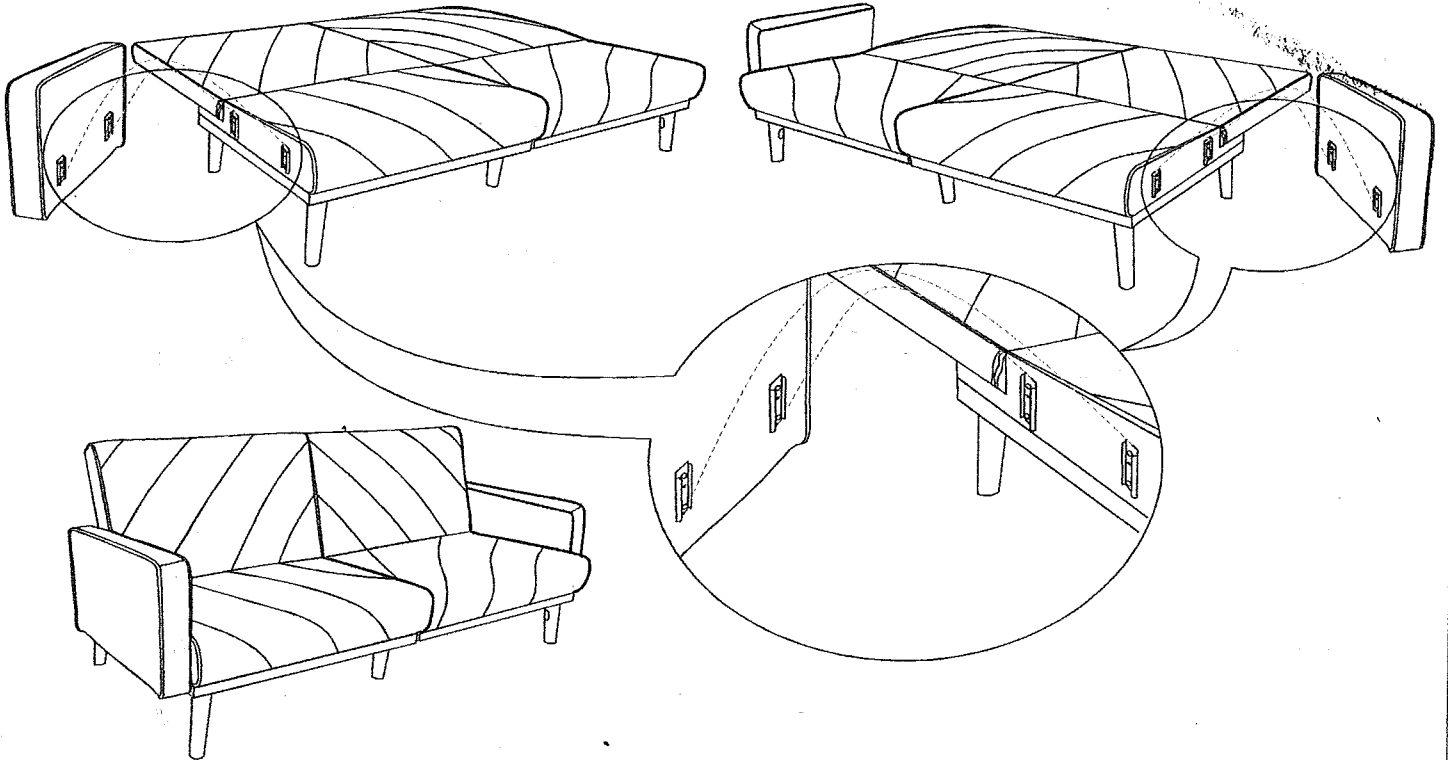

**Note: Some parts may have shifted during transit and might have been loose .**

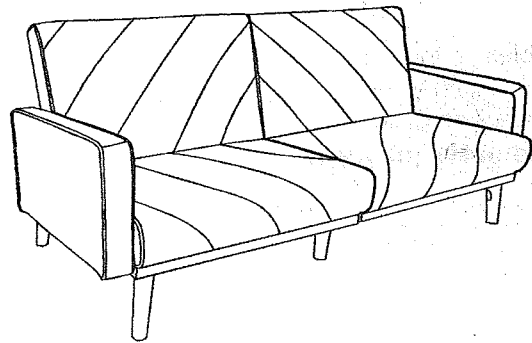

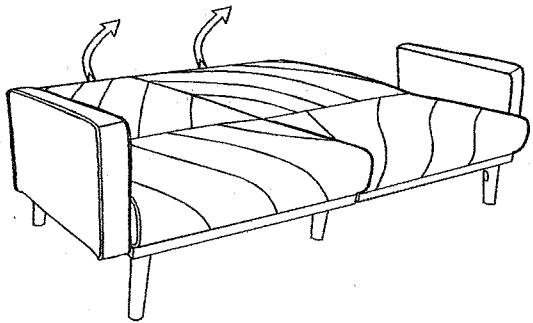

## Connecting the Arms

Once the sofa and legs are connected securely, attach the arms by aligning and inserting the hinges on the arm onto the ones on the sofa. Make sure that both hinges on each arm are inserted.

**Note: If the hinges do not align, you can use a screwdriver to adjust the hinges to the correct position if needed.**
